IMPACT

The YMCA OF GREATER RICHMOND, in collaboration with numerous community partners, is hosting four Advancing DEI Community Conversations in 2024 with the goal of continuing the work beyond the annual DEI Symposium.

In partnership with Leadership Metro Richmond (LMR), join us as we discuss the critically important, yet often overshadowed, role and responsibility of board volunteers, CEOs and Executive Directors in effectively advancing diversity, equity and inclusion in organizations and the community.

Future Advancing DEI Community Conversation topics are forthcoming. The next DEI Symposium is scheduled for 2025. Follow us on LinkedIn to receive updates or contact Sidney Edwards at edwardssi@ymcarichmond.org for questions.
