For my future job, I want to know...

- ➤ What do you love best about your job?
- What skills or classes do you need to excel in your career?
- ➤ What does your average work day look like?
- ➤ What's the biggest challenge in your job?
- ➤ What's something that might surprise me about your job?
- How do you think this job will change in the future?
- What's one thing you wish someone had told you about this career?
