

# 2025 Public Policy Agenda

## ChamberRVA supports the following:

**Talent Development:** Development and retention of a prepared, educated and talented workforce.

**Education and Childcare:** Early childhood, preK-12, CTE, post-secondary workforce, and work-based learning programs.

**Economic Development:** Investment in business-ready sites and policies that support business attraction, retention and growth.

**Infrastructure Investment:** Investment in critical infrastructure, including transportation, ports, sewers, parks and broadband.

**Business Environment and Taxes:** Policies that promote a positive business environment and a comprehensive tax system that equitably distributes economic burden among all taxpayers.

**Housing:** Policies that increase housing opportunities at all income levels.

**Prosperity, Health & Equity:** Policies that promote prosperity, health and equity in the workplace and society at large.

**Public Safety:** Policies that promote public safety for the benefit of all.

**Right to Work:** Virginia's right to work law.

**Energy:** Policies that provide reliable sources of energy while decreasing dependence on carbon-based energy sources.
