## About the Chamber's Business Councils

Championed by dedicated volunteers, the Business Councils serve as the Chamber's local voice in the City of Richmond and the counties of Chesterfield, Hanover and Henrico. At their core, Business Councils work closely with local business leaders and public officials to advocate for a first-rate business climate and quality of life. Chamber members seeking to build strong relationships, address community-specific issues and engage in advocacy efforts in their localities will find front-line opportunities within the Business Council program.
