Re: 2017 Impact Awards Committee

Dear Stephanie,

I was delighted to hear that Emerald Construction has been nominated for the IMPACT Award for 2017 and highly recommend them for this honor. Emerald has established themselves since 1993 as a truly fine company to work with, earning an excellent reputation for the quality of their work and their team. Emerald focuses on partnering with their customers to achieve excellent results on a wide range of projects in the Richmond area.

Emerald also gives back to our community through its long term commitment to the Richmond Fisher House, supporting veterans and their families receiving care at McGuire Veterans Medical Center.

Emerald has earned this recognition through years of quality service to their clients in the Richmond area!

Thank you and best regards. Sincerely,

A handwritten signature in black ink, appearing to read "DeAnn", followed by a long, horizontal, sweeping flourish.
